Senate Bill 137

Committee: Urban and Rural Development
Sponsor: Senator J.T. 'Jabo' Waggoner
Analyst: Jennifer Farish
Date: 03/17/2025

Senate Bill 137 as passed the Senate would increase the obligations of the Public Service Commission by an undetermined amount dependent on the cost to regulate certain private sewer or wastewater systems that elect to come under the jurisdiction of the commission. These obligations could be offset, in whole or in part, by the collection of certain existing regulatory fees.
