House Bill 166

Committee: Education Policy | Sponsor: Representative Leigh Hulsey

Analyst: John Friedenreich | Date: 02/24/2025

House Bill 166 as introduced would increase the administrative obligations of the local boards of education to adopt policies relating to the use of electronic communication devices on public school campuses and internet safety. Additionally, this bill will increase the administrative obligations of the State Board of Education to adopt rules, and the State Department of Education to develop and approve an online course to students regarding the use of social media.
