4     SYNOPSIS:

5                 Under existing law, residents of the state may  
6     purchase a physical driver license or nondriver  
7     identification card from the Alabama State Law  
8     Enforcement Agency.

9                 This bill would require the Alabama State Law  
10    Enforcement Agency to offer residents the option to  
11     obtain a digital driver license or nondriver  
12     identification card in tandem with a physical driver  
13     license or nondriver identification card.

16                 A BILL

17                 TO BE ENTITLED

18                 AN ACT

19

20                 Relating to driver licenses; to authorize the Alabama  
21     State Law Enforcement Agency to issue digital driver licenses  
22     and nondriver identification cards.

23     BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

24                 Section 1. (a) (1) Pursuant to the procedures for  
25     issuance and renewal of driver licenses and nondriver  
26     identification cards established in Chapter 6 of Title 32,  
27     Code of Alabama 1975, the Alabama State Law Enforcement Agency  
28     (ALEA) shall issue a digital driver license or nondriver

29 identification card for a fee of fifteen dollars (\$15), which  
30 may be displayed through an ALEA-approved mobile electronic  
31 device.

32 (2) The digital driver license or nondriver  
33 identification card may be issued in addition to a physical  
34 driver license or nondriver identification card.

35 (b) The digital driver license or nondriver  
36 identification card shall contain all information present on a  
37 physical driver license or nondriver identification card,  
38 including a bar code or other mechanism, as utilized to reveal  
39 the information.

40 (c) A licensee may produce an ALEA-approved digital  
41 driver license in lieu of possessing a physical driver license  
42 when operating a motor vehicle or vessel pursuant to Section  
43 32-6-9, Code of Alabama 1975.

44 (d) (1) Upon demand of a judge of any court in this  
45 state, a peace officer, a state trooper, or any other state or  
46 local governmental entity, a licensee may produce an  
47 ALEA-approved digital driver license or nondriver  
48 identification card, and it shall be recognized as though it  
49 were a physical driver license or nondriver identification  
50 card.

51 (2) A licensee may not produce an approved digital  
52 driver license or nondriver identification card in place of a  
53 physical driver license or nondriver identification card as a  
54 valid form of voter photo identification pursuant to Section  
55 17-9-30, Code of Alabama 1975.

56 (e) If the licensee displays the digital driver license

57 or nondriver identification card through the ALEA-approved  
58 mobile application, the individual is not implicitly  
59 consenting to allow access to or to search other contents of  
60 the wireless communication or electronic device other than  
61 provided for by law.

62 (f) ALEA shall apply reasonable standards of security  
63 to protect the integrity of the digital driver license or  
64 nondriver identification card and privacy of the licensee.

65 (g) ALEA may adopt rules to implement this section.

66 Section 2. This act shall become effective on October  
67 1, 2026.
