15 and from time to time, and shall be in the form and

17 such rate or rates of interest, shall be payable at such times
18 and evidenced in such manner, may be made subject to

26 time as the directors may consider advantageous.

1 (c) Subject to the provisions and limitations
2 contained in this division, the authority may from time to
3 time sell and issue refunding bonds for the purpose of
4 refunding any matured or unmatured bonds of the authority or
5 authority-guaranteed obligations then outstanding. The
6 authority may pay out of the proceeds of the sale of refunding
7 bonds such fees and the expenses of issuance which the said
8 directors may deem necessary and advantageous in connection
9 with the issuance of the refunding bonds; provided, however,
10 that no refunding bonds shall be issued unless the present
11 value of all debt service on the refunding bonds (computed
12 with a discount rate equal to the true interest rate of the
13 refunding bonds and taking into account all underwriting
14 discount and other issuance expenses) shall not be greater
15 than 95% of the present value of all debt service on the bonds
16 to be refunded (computed using the same discount rate and
17 taking into account the underwriting discount and other
18 issuance expenses originally applicable to such bonds)
19 determined as if such bonds to be refunded were paid and

21 (considering mandatory redemption as a scheduled maturity)
22 provided at the time of their issuance.

23 (d) Authority obligations shall not be general
24 obligations of the authority but shall be payable solely from

2 obligations; (3) the income or proceeds realized by the
3 authority under any mortgage or other security granted to the
4 authority; (4) amounts derived from any letter of credit,
5 insurance policy or other form of credit enhancement
6 applicable to the authority obligations; (5) any reserve or

8 any earnings on the proceeds of authority obligations invested
9 by the authority pending their disbursement; and (7) any other
10 amounts that may hereafter be appropriated to the authority.
11 As security for the payment of the debt service referable to
12 bonds issued by it and of its obligations under authority
13 guaranties, the authority is authorized and empowered to
14 pledge for payment of such debt service and such obligations
15 appropriated funds and other moneys and funds from which such
16 authority obligations are made payable. All contracts made and
17 all authority obligations issued or incurred by the authority
18 pursuant to this division shall be solely and exclusively
19 obligations of the authority and shall not constitute or
20 create an obligation or debt of the state. Bonds issued by the
21 authority shall be construed to be negotiable instruments,
22 although payable solely from a specified source, as provided
23 herein. The proceedings of the directors under which any
24 authority obligations are authorized to be issued and any such
25 mortgage and deed of trust or trust indenture may contain any
26 agreements and provisions respecting the collection and
27 disposition of appropriated funds, revenues, and receipts

1 subject to such mortgage and deed of trust or trust indenture,
2 the creation and maintenance of special funds from such
3 appropriated funds, revenues, and receipts, the rights,
4 duties, and remedies of the parties to any such instrument and
5 the parties for the benefit of whom the instrument is made and
6 the rights and remedies available in the event of default, all
7 as the directors shall deem advisable. Any pledge made with
8 respect to authority obligations shall be valid and binding
9 from the time such pledge is made; the appropriated funds,
10 revenues, receipts, funds, and other property so pledged shall
11 immediately be subject to the lien of such pledge without any
12 physical delivery thereof or further act; and the lien of
13 pledge shall be valid and binding as against all parties
14 having claims of any kind against the authority irrespective
15 of whether the parties have notice thereof. Neither the
16 proceedings of the directors authorizing the authority
17 obligations nor any other instrument by which a pledge is
18 created need be recorded. Each pledge, agreement, mortgage,
19 and deed of trust or trust indenture made for the benefit or
20 security of any of the authority obligations of the authority
21 shall continue effective until the authority obligations have
22 been fully paid or satisfied.

23 (e) Any bonds of the authority and any authority
24 guaranteed obligations may be used by the holder as security
25 for any funds belonging to the state, or to any political
26 subdivision, instrumentality, or agency of the state, in any
27 instance where security for the deposits may be required by

1 law. Unless otherwise directed by the court having
2 jurisdiction, or the document that is the source of authority,
3 a trustee, executor, administrator, guardian, or one acting in
4 any other fiduciary capacity may, in addition to any other
5 investment powers conferred by law and with the exercise of
6 reasonable business prudence, invest trust funds in bonds of
7 the authority and authority-guaranteed obligations. Neither a
8 public hearing nor consent of the Department of Finance or any
9 other department or agency shall be a prerequisite to the
10 issuance of bonds by the authority. Bonds of the authority and
11 authority-guaranteed obligations shall be legal investments
12 for funds of the Teachers' Retirement System of Alabama, the
13 Employees' Retirement System of Alabama, and the State
14 Insurance Fund.

15 (f) The State Treasurer shall be registrar, transfer
16 agent, and paying agent for the bonds. The State Treasurer may
17 designate named individuals who are employees of the state and
18 who are assigned to the State Treasurer's office to
19 authenticate the bonds."

21 is hereby amended to read as follows:

22 "§41-10-550.

23 operate and to pay any other costs, expenses or obligations of
24 the authority, moneys and securities the directors determine
25 are not needed to meet the aforesaid obligations of the
26 authority; provided, however, that no such transfer to the
27 General Fund or Maintenance Fund shall be made during any year

1 in which any authority obligations are outstanding unless,
2 with respect to each of the two fiscal years immediately
3 preceding the fiscal year in which such transfer is proposed
4 to be made, the amount of money that had been deposited from
5 time to time into the special fund was not less than 1.3 times
6 the maximum annual debt service payable on all authority
7 obligations outstanding during such fiscal year.

8 (2) Promptly upon dissolution of the authority, the
9 State Treasurer shall transfer all cash and securities on
10 deposit in the special fund to the General Fund of the state.

11 (b) Pending disbursement for the above purposes,
12 moneys on deposit in the special fund shall be invested by the
13 State Treasurer in eligible investments as specified by the
14 directors.

15 (c) The Governor, on behalf of the state, and the
16 authority are hereby authorized to enter into a funding
17 agreement pursuant to which the state may agree, in the event
18 that moneys are withdrawn during any fiscal year of the state
19 from any reserve fund established by the authority for any of
20 its bonds owing to the inadequacy of pledged revenues to pay
21 when due debt service thereon as herein provided for, to
22 provide funds to the authority not in excess of the amount so
23 withdrawn from whatever source lawfully available to the state
24 for that purpose in order to fully fund such reserve fund in
25 accordance with the proceedings of the authority pursuant to
26 which the authority issued the bonds for which such reserve
