To propose an amendment to the Constitution of Alabama of 1901, to provide that the people may initiate the enactment of certain general laws or constitutional amendments by an initiative and that the Legislature may offer an alternate proposal.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The following amendment to the Constitution of Alabama of 1901, as amended, is proposed and shall become valid as a part thereof when approved by a majority of the qualified electors voting thereon and in accordance with Sections 284, 285, and 287 of the Constitution of Alabama of 1901, now appearing as Sections 284, 285, and 287 of the Official Recompilation of the Constitution of Alabama of 1901, as amended:

PROPOSED AMENDMENT

I. (a) The people may propose by the initiative process that a general law be enacted by filing with the Secretary of State a concise summary of the proposal accompanied by a preliminary petition signed by no less than 1000 qualified Alabama voters and a filing fee of one thousand dollars (\$1,000) to cover the administrative costs of processing the initiative. The preliminary filing must be in the name of an individual qualified elector who becomes the registered agent for the proposition. The named individual registered agent is the responsible party for any future filings and must file any election reports and disclosures

1 required by the election laws in the same manner as a
2 candidate seeking elected office. The registered agent is
3 subject to any and all other requirements and liabilities as
4 candidates for office. The name and address of each qualified
5 Alabama voter signing the preliminary petition must appear the
6 same as that information appears on the registered voter list.

7 (b) The Secretary of State shall review the
8 preliminary filing subject to any restrictions and limitations
9 imposed by the Legislature by general law and any
10 administrative rules promulgated by the Secretary of State
11 regarding initiatives. Upon approval, the Secretary of State
12 shall certify to the registered agent the preliminary summary
13 of the proposal for preparation of the full text and official
14 summary of the proposal.

15 (c) Upon the request of the registered agent,
16 accompanied by the certification by the Secretary of State,
17 the Alabama Law Institute shall prepare the full text of the
18 initiative proposal along with an official summary within 90
19 days of the request unless the registered agent agrees in
20 writing to extend the time for preparation. The registered
21 agent must file a copy of the full text and summary as
22 prepared by the Alabama Law Institute with the Secretary of
23 State for registration and publication to seek signatures for
24 the final filing and to proceed for legislative consideration.

25 (d) Upon receipt of the full text and summary of a
26 proposal filed by the registered agent, the Secretary of State
27 shall publish the full text and summary of the proposal on the

1 Secretary of State's website. The full text of each proposal
2 shall remain published on the website for a period of no less
3 than 90 days. The summary of each proposal shall remain
4 published on the website throughout the next regular session
5 of the Legislature.

6 (e) Any proposal properly filed with the Secretary
7 of State's office prior to the first legislative day of any
8 regular session shall be published by the Secretary of State
9 for the review and consideration by the individual members of
10 the Legislature. No later than the third legislative day, the
11 Secretary of State shall prepare and disseminate to all
12 members of the Legislature a complete list of the official
13 summaries of all timely filed proposals. Upon request by any
14 individual member, the Secretary of State shall provide a copy
15 of the full text of the proposal to the member. A member may
16 elect to sponsor the initiative proposal before the
17 Legislature during that regular session the same as any other
18 sponsored legislation.

19 (f) In the event that no member of the Legislature
20 elects to sponsor a proposal, or the registered agent
21 determines that no suitable action was taken by any individual
22 in the Legislature on the proposal, the registered agent may
23 resume the initiative process only after the end of the
24 regular session by proceeding to obtain signatures in a final
25 petition format provided by the Secretary of State for
26 qualifying the full text of the proposal for consideration.
27 The final petition must be signed by qualified Alabama voters

1 in a number that equals at least seven percent of the total
2 votes cast for Governor in the last preceding gubernatorial
3 general election. Each petition shall contain a minimum number
4 of signatures of qualified Alabama voters from each
5 congressional district in the state equal to one percent of
6 the total votes cast for Governor in the last preceding
7 gubernatorial general election within each district. The name
8 and address of each qualified Alabama voter signing the final
9 petition must appear the same as that information appears on
10 the registered voter list. The 1,000 signatures contained on
11 the preliminary petition may be used towards the total
12 requirement for the final petition.

13 (g) Once the required signatures are obtained, the
14 registered agent shall submit a copy of the full text of the
15 proposal, the summary, and final petition to the Secretary of
16 State. The registered agent has two calendar years from the
17 date of registration of the full text of the proposal and
18 summary to qualify the proposal and summary for final filing
19 and consideration. The Secretary of State shall issue to the
20 registered agent a certification for filing the full text
21 proposal and summary with the Legislature. The registered
22 agent must file the full text proposal and summary with the
23 Legislature within two years and an initiative proposal may
24 only be filed in a Regular Session of the Legislature.

25 (h) A full text proposal and summary for the
26 enactment of a general law shall be submitted by the
27 registered agent with certifying documentation from the

1 Secretary of State, to the Legislature 30 days prior to the
2 first legislative day of the Regular Session by filing a copy
3 with the Legislative Reference Service and the Legislative
4 Fiscal Office for a constitutional and fiscal analysis
5 respectively. The Secretary of the Senate and the Clerk of the
6 House shall prefile in the respective houses the proposal for
7 a general law and on the first day of the session the proposal
8 shall be introduced by the President Pro Tempore of the Senate
9 and the Speaker Pro Tempore of the House. The proposal shall
10 be presented in bill form and treated in every respect the
11 same as any other bill for a general law except as otherwise
12 provided by this amendment and except that the measure shall
13 not be sent to the Governor nor require the Governor's
14 signature. The Legislature upon considering the proposal for
15 the enactment of a general bill by the initiative may not
16 alter or amend the original proposal; however, the Legislature
17 may offer an alternate proposal to be considered in the same
18 manner. If the Legislature does not enact the proposal by
19 12:01 a.m. of the 30th legislative day, the proposal shall be
20 placed on the ballot by the Secretary of State. If the
21 Legislature approves an alternate proposal, both the original
22 proposal from the initiative process and the alternate
23 legislative proposal shall be placed on the ballot. The
24 question shall be submitted to the qualified voters at the
25 first statewide election held 90 days or more after the
26 Legislature adjourns. No special election may be called solely
27 for the purpose of a voter initiative. "Enact" as used in this

1 amendment means the proposal is considered for a third reading
2 before each body and is voted upon by each house of the
3 Legislature, in its original form as proposed, by the end of
4 the 29th legislative day. The proposal may be a bill for a new
5 statute, a bill to amend an existing statute, or a bill to
6 repeal an existing statute in whole or in part. Upon enactment
7 in the Legislature, the Secretary of the Senate or the Clerk
8 of the House, respectively, shall deliver any enactment by the
9 indirect initiative to the Secretary of State. The time for
10 delivery from the Legislature to the Secretary of State shall
11 be the same as for the Governor pursuant to Section 125 of the
12 Constitution of Alabama of 1901, now appearing as Section 125
13 of the Official Recompilation of the Constitution of Alabama
14 of 1901, as amended, and shall not be subject to veto of any
15 nature. The initiative proposal for a general law enacted by
16 the Legislature shall become law effective upon delivery to
17 the Secretary of State, or upon the terms of the initiative.
18 If two or more proposals including an initiative proposal and
19 a legislative alternative for a general law, proposed
20 separately for the initiative procedure or as an initiative
21 and an alternate legislative proposal, relating to essentially
22 the same subject, appear on the ballot and are adopted, the
23 measure which receives the highest number of affirmative votes
24 shall prevail to the extent of any conflict.

25 (i) No measure proposed as a statutory initiative
26 shall be sent to the Governor, but shall be sent directly to
27 the Legislative Reference Service for preparation of a review

1 and comment, including an official summary of the proposal for
2 use on the ballot. Both the ballot title and the official
3 summary for the ballot shall be impartial and not likely to
4 create prejudice for or against the measure and may be
5 prepared in consultation with the initiative committee and
6 proponents. The initiative shall be sent to the Secretary of
7 State for inclusion in the appropriate election.

8 (j) No law adopted by the initiative under this
9 section shall be repealed or amended except by vote of the
10 people, unless it is otherwise provided by its terms.

11 II. (a) The people may propose a constitutional
12 amendment with statewide application by filing a preliminary
13 petition containing a summary of the proposal with the
14 Secretary of State and proceeding further in the same manner
15 and with the same requirements and following the same
16 procedures as for the proposal of a general law outlined in I.
17 above; provided, however, the total number of signatures on
18 the final petition required for a proposed constitutional
19 amendment must equal at least 10 percent of the total votes
20 cast for Governor in the last preceding gubernatorial general
21 election. The Legislature may approve an alternative amendment
22 which shall appear on the ballot at the same time following
23 the same procedure as for a general law in I. above.

24 (b) The proposal and any alternative shall be
25 submitted to the qualified voters at the first statewide
26 election held 90 days or more after the measure qualifies;

1 however, a special election may not be called solely for the
2 purpose of a voter initiative proposal.

3 (c) No measure proposed pursuant to this amendment
4 shall be sent to the Governor, but shall be sent directly to
5 the Legislative Reference Service for preparation of a review
6 and comment, including an official summary of the proposal for
7 use on the ballot. Both the ballot title and the official
8 summary shall be impartial and not likely to create prejudice
9 for or against the measure and may be prepared in
10 consideration with the initiative committee and proponents.
11 The initiative shall be sent to the Secretary of State for
12 inclusion in the appropriate election.

13 (d) A proposed amendment or the legislative
14 alternative shall become part of the Constitution if approved
15 by a majority of electors voting on the proposal.

16 (e) If two constitutional amendments proposed
17 separately by the initiative procedure, relating to
18 essentially the same subject, appear on the ballot and are
19 adopted, the amendment which receives the highest number of
20 affirmative votes shall prevail to the extent of any conflict
21 and shall be proclaimed upon the date of ratification.

22 (f) No more than two pieces of legislation proposed
23 pursuant to this amendment may be enacted by the Legislature
24 pursuant to this amendment in any legislative session. If more
25 than two pieces of legislation are proposed, the two pieces of
26 legislation which may be enacted or placed on the ballot shall
27 be the two proposals having the greatest number of signatures.

1 If a proposal by initiative, whether a general bill or an
2 amendment to the Constitution of Alabama of 1901, has an
3 alternative proposal made by the Legislature, the ballot
4 language shall be as follows:

5 Do you favor amending general law or proposing a
6 constitutional amendment regarding _____?

7 Yes ___ No ___

8 Which change do you prefer?

9 _____ (A) The change proposed by the initiative
10 process which _____.

11 _____ (B) The change offered as an alternative
12 proposal which _____.

13 Section 2. An election upon the proposed amendment
14 shall be held in accordance with Sections 284 and 285 of the
15 Constitution of Alabama of 1901, now appearing as Sections 284
16 and 285 of the Official Recompilation of the Constitution of
17 Alabama of 1901, as amended, and the election laws of this
18 state.

19 Section 3. The appropriate election official shall
20 assign a ballot number for the proposed constitutional
21 amendment on the election ballot and shall set forth the
22 following description of the substance or subject matter of
23 the proposed constitutional amendment:

24 "Proposing an amendment to the Constitution of
25 Alabama of 1901, providing that the people may initiate the
26 enactment of certain general laws or constitutional amendments
27 and that the Legislature may offer an alternative proposal.

1 "Proposed by Act _____."

2 This description shall be followed by the following

3 language:

4 "Yes () No ()."
