8 SYNOPSIS: Under existing law, an insurer is required  
9 to maintain certain minimal levels of unimpaired  
10 capital to be authorized to transact business in  
11 this state and is required to meet certain other  
12 requirements based on the amount of risk taken. A  
13 life and health insurer is subject to a company  
14 action level event when the risk-based capital  
15 report indicates certain levels.

16 This bill would also subject property and  
17 casualty insurers to a company action level event  
18 when the risk-based capital report indicates  
19 certain specified levels. The bill would also  
20 correct an error in citation and make clarifying  
21 nonsubstantive changes.

22

8 a revised RBC plan, which may incorporate by reference any  
9 revisions proposed by the commissioner, and shall submit the  
10 revised RBC plan to the commissioner as follows:

11 "(1) Within 45 days after the notification from the  
12 commissioner.
