8 SYNOPSIS: Under existing law, in Class 2
9 municipalities, a vacancy on the city council is
10 filled by a special election if the vacancy occurs
11 less than one year before the end of a term. The
12 special election is set by the council at least 60
13 days and not more than 120 days after the
14 occurrence of the vacancy unless during that time
15 period certain elections are being held, in which
16 case the election is held on that date.

17 This bill would delete the provision for the
18 special election to be held on the date of a
19 election and would allow the council to set the
20 date.
