8 SYNOPSIS: Under existing law, the sale of
9 over-the-counter products containing ephedrine or
10 pseudoephedrine is regulated and certain records of
11 sales are required to be kept.

12 This bill would further regulate the sale of
13 over-the-counter products containing certain
14 quantities of ephedrine or pseudoephedrine within
15 certain periods of time.

16 The bill would prohibit the sale of any
17 product containing pseudoephedrine and ephedrine
18 compounds from anywhere other than a licensed
19 pharmacy.

20 This bill would specify certain
21 identification necessary to purchase a product
22 containing pseudoephedrine and ephedrine compounds.

23 This bill would enhance criminal penalties
24 for violations of laws governing the sale of
25 products containing pseudoephedrine and ephedrine
26 compounds.

1 This bill would revise the membership of the
2 Alabama Drug Abuse Task Force.

3 This bill would require the Alabama Criminal
4 Justice Information Center to implement an
5 electronic drug offender tracking system to
6 catalogue all criminal convictions in this state
7 and other states of persons with certain felony and
8 misdemeanor convictions related to methamphetamine.

9 This bill would make it a Class B felony to
10 purchase or to attempt, solicit another, or
11 conspire to purchase or sell, transfer, or
12 otherwise furnish a listed precursor chemical or
13 pseudoephedrine and ephedrine compounds for the
14 purpose of providing or sharing any pseudoephedrine
15 and ephedrine compounds to manufacture
16 methamphetamine or a controlled substance.

17 This bill also would provide specific
18 criminal penalties for certain uses of drug
19 paraphernalia in violation of the controlled
20 substances laws of this state.

21 Amendment 621 of the Constitution of Alabama
22 of 1901, now appearing as Section 111.05 of the
23 Official Recompilation of the Constitution of
24 Alabama of 1901, as amended, prohibits a general
25 law whose purpose or effect would be to require a
26 new or increased expenditure of local funds from
27 becoming effective with regard to a local

1 governmental entity without enactment by a 2/3 vote
2 unless: it comes within one of a number of
3 specified exceptions; it is approved by the
4 affected entity; or the Legislature appropriates
5 funds, or provides a local source of revenue, to
6 the entity for the purpose.

7 The purpose or effect of this bill would be
8 to require a new or increased expenditure of local
9 funds within the meaning of the amendment. However,
10 the bill does not require approval of a local
11 governmental entity or enactment by a 2/3 vote to
12 become effective because it comes within one of the
13 specified exceptions contained in the amendment.

14

22 products containing certain quantities of ephedrine or
23 pseudoephedrine within certain periods of time; to enhance
24 existing criminal penalties for violations and to provide
25 additional criminal penalties; to revise the membership of the
26 Alabama Drug Abuse Task Force and to require a report to the
27 Legislature; to require the Alabama Criminal Justice

1 Information Center to implement an electronic drug offender
2 tracking system to catalogue all criminal convictions in this
