personal sacrifice and it is appropriate and proper to honor
them for making our great State of Alabama and our nation a
better place for all; and

WHEREAS, without seeking nor desiring any public
credit, the Navy SEALS with the Joint Special Operations

1 Command have become our government's most effective and lethal
2 weapon against terrorists and their networks; spending hours
3 and months of grueling practice raids and trial runs; the
4 unusual collection of special-missions units used highly
5 advanced and classified technology to transform bits of
6 information into actionable intelligence; and

7 WHEREAS, the Alabama Legislature notes with deep
8 gratitude the incalculable sacrifices and contributions made
9 by all American servicemen and servicewomen who make our
10 military the powerful force it is today through courage,

14 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
