8 SYNOPSIS: Under the existing rules of the Alabama
9 Department of Revenue, an entity that files an
10 application for a motor vehicle dealer's license is
11 required to provide in addition to other
12 information on the application a verifiable
13 landline telephone number.

14 This bill would allow an entity that files
15 an application with the Alabama Department of
16 Revenue for a motor vehicle dealer's license to
17 provide in addition to other information on the
18 application either a verifiable landline telephone
19 number or a mobile, wireless, or cellular telephone
20 number.

22 A BILL
23 TO BE ENTITLED
24 AN ACT

25
26 To allow an entity that files an application with
27 the Alabama Department of Revenue for a motor vehicle dealer's

1 license to provide in addition to other information on the
2 application either a verifiable landline telephone number or a
3 mobile, wireless, or cellular telephone number.

4 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

5 Section 1. Notwithstanding any rule, regulation, or
6 policy enacted by the Alabama Department of Revenue or any
7 other department or agency of this state, an entity that files
8 an application with the Alabama Department of Revenue for a
9 motor vehicle dealer's license may provide in addition to
10 other information either a verifiable landline telephone
11 number or a mobile, wireless, or cellular telephone number.

12 Section 2. This act shall become effective
13 immediately following its passage and approval by the
14 Governor, or its otherwise becoming law.
