8 SYNOPSIS: Under existing law, members of the Alabama  
9 National Guard or Alabama State Defense Force, who  
10 as a direct result of active military state service  
11 are wounded, injured, disabled, or killed, are  
12 entitled to receive medical care and other  
13 compensation for injury, disability, or death.  
14 Payment of any claim is paid through appropriations  
15 to the State Military Department. State employees  
16 who are injured or suffer death on the job are  
17 covered under the State Employees Injury  
18 Compensation Program operated by the Division of  
19 Risk Management of the State Finance Department.

20 This bill would provide that members of the  
21 Alabama National Guard or Alabama State Defense  
22 Force who are injured or suffer death as a direct  
23 result of active military service would be covered  
24 under the State Employees Injury Compensation  
25 Program in the same manner as state employees and  
26 the existing law would be repealed. This bill also  
27 provides authority for the Military Department to

1 pay medical expenses for members of the National  
2 Guard or Alabama State Defense Force who become ill  
3 during or have minor injuries as a direct result of  
4 active military service for the state before  
5 entering the State Employees Injury Compensation  
6 Program.
