8 SYNOPSIS: This bill would propose an amendment to the
9 Constitution of Alabama of 1901, that would provide
10 that no person may be elected to the Legislature
11 for more than three full consecutive terms. The
12 amendment would provide that an election to the
13 Senate or the House of Representatives for at least
14 two years would be equivalent to the election for a
15 full term in that body. The amendment would provide
16 that service in the Senate and in the House of
17 Representatives prior to November, 2014, would not
18 disqualify, in whole or in part, the person from
19 service in those bodies following that date. The
20 amendment would provide that a person, after the
21 expiration of a legislative quadrennium from his or
22 her third consecutive term, may serve as a member
23 of the Legislature if the person has not served in
24 any capacity with the State of Alabama or any of
25 its departments, agencies, boards, commission, or
26 public educational institutions on a compensated or
27 non-compensated basis, or has not received

1 compensation for seeking the passage, defeat, or
2 modification of legislation by conveying
3 information and opinion to legislators or
4 influencing the actions of the State of Alabama or
5 any of its departments, agencies, boards,
6 commissions, or public educational institutions.
