3 By Representative Holmes (N & P)
4 RFD: Montgomery County Legislation
5 First Read: 20-MAR-13

1 any combination thereof. An additional fee of ten dollars
2 (\$10) shall be added to the Montgomery Municipal Court costs
3 authorized to be collected in connection with notices issued
4 under this act. Court costs collected pursuant to this act
5 shall be distributed in the same manner as prescribed by law
6 for the distribution of municipal court costs for misdemeanor
7 violations. The additional ten dollars (\$10) authorized by
8 this act shall be paid to the Alabama Criminal Justice
9 Information Center as compensation for recordkeeping with
10 respect to violation notices issued under this act. Ordinance
11 No. 10-2007 adopted by the City of Montgomery is hereby
12 ratified and validated ab initio.

13 "(b) The City of Montgomery shall cause a sign to be
14 posted at each roadway entry point to the city to provide
15 motorists with notice that photographic traffic signal
16 enforcement systems are in use. In addition, the City of
17 Montgomery shall cause a sign to be posted at each
18 intersection where photographic traffic signal enforcement
19 systems are in use. The sign will comply with this requirement
20 if it states substantially the following: "AUTOMATED CAMERAS
21 USED IN RED LIGHT ENFORCEMENT," or if it otherwise gives
22 sufficient notice.

23 "(c) Prior to operating a photographic traffic
24 signal enforcement system, the City of Montgomery shall make a
25 public announcement and conduct a public awareness campaign of
26 the use of a photographic traffic signal enforcement system a
27 minimum of 30 days before using the devices. The City of

1 Montgomery may place photographic traffic signal enforcement
2 systems at locations without public notice of the specific
3 location, may change locations without public notice, and may
4 install and move as needed decoy devices designed to resemble
5 photographic traffic signal enforcement systems.

6 "(d) The city shall post signs warning of the use of
7 an automated red light photographic device within 60 yards of
8 every intersection at which such a device shall be used. Each
9 sign shall be placed at least 10 feet from the edge of the
10 road or street and shall state substantially the following:
11 "AUTOMATED CAMERAS USED IN RED LIGHT ENFORCEMENT," and shall
12 have reflective light material. The reflective signs shall be
13 placed not lower than six feet and not higher than eight
14 feet."

15 Section 2. This act shall become effective on the
16 first day of the third month following its passage and
17 approval by the Governor, or its otherwise becoming law.
