8 SYNOPSIS: Under existing law, a person commits the
9 offense of fraudulent repair of an airbag if, after
10 an airbag has deployed in a motor vehicle, he or
11 she installs a new airbag that the person knew was
12 not designed in accordance with applicable federal
13 standards or installs a used airbag in a motor
14 vehicle and fails to disclose to the owner that a
15 used airbag was installed.

16 This bill would rename this offense "airbag
17 fraud" and would provide criminal penalties for
18 selling, installing, or reinstalling a device in a
19 motor vehicle that causes the vehicle's diagnostic
20 system to inaccurately indicate that the vehicle is
21 equipped with a functional airbag or selling a
22 motor vehicle with a counterfeit airbag, a
23 nonfunctional airbag, or no airbag with the intent
24 to deceive the purchaser.

25 This bill would also provide enhanced
26 criminal penalties if the airbag fraud caused
27 physical injury to a person.

1 Amendment 621 of the Constitution of Alabama
2 of 1901, now appearing as Section 111.05 of the
3 Official Recompilation of the Constitution of
4 Alabama of 1901, as amended, prohibits a general
5 law whose purpose or effect would be to require a
6 new or increased expenditure of local funds from
7 becoming effective with regard to a local
8 governmental entity without enactment by a 2/3 vote
9 unless: it comes within one of a number of
10 specified exceptions; it is approved by the
11 affected entity; or the Legislature appropriates
12 funds, or provides a local source of revenue, to
13 the entity for the purpose.

14 The purpose or effect of this bill would be
15 to require a new or increased expenditure of local
16 funds within the meaning of the amendment. However,
17 the bill does not require approval of a local
18 governmental entity or enactment by a 2/3 vote to
19 become effective because it comes within one of the
20 specified exceptions contained in the amendment.

22 A BILL

23 TO BE ENTITLED

24 AN ACT

25
26 To amend Section 13A-11-270, Code of Alabama 1975;
27 to provide criminal penalties for selling, installing, or

1 reinstalling a device in a motor vehicle that causes the

3 vehicle is equipped with a functional airbag; to provide
4 criminal penalties for selling a motor vehicle with a
5 counterfeit airbag, a nonfunctional airbag, or no airbag with
6 the intent to deceive the purchaser; to provide enhanced
7 criminal penalties for committing airbag fraud that causes
8 physical injury; to repeal Section 13A-11-271, Code of Alabama
9 1975, relating to the fraudulent sale of a motor vehicle
10 without an airbag; and in connection therewith would have as
11 its purpose or effect the requirement of a new or increased
12 expenditure of local funds within the meaning of Amendment 621
