15 it is intended to mean the ordinary, customary or usual price
16 paid by the consumer for such tobacco products taxable under
17 this article.

18 "(c) Whenever in this article reference is made to
19 any manufactured tobacco products on which the tax is based on
20 weight, the weight as shown by the manufacturer or the federal

22 "(d) When the retail or selling price is referred to

1 "(e) When any articles or commodities subject to tax
2 in this article are given as prizes on punch boards, shooting
3 galleries, premiums, etc., the tax shall be based on the

5 "(f) The tax herein levied shall be paid to the
6 state through the use of stamps as herein provided. However,
7 every wholesaler, distributor, jobber, or retail dealer shall
8 add the amount of the tax levied herein to the price of the
9 tobacco or tobacco products sold, it being the purpose and
10 intent of this provision that the tax levied is in fact a levy
11 on the ultimate consumer or user with the wholesaler,
12 distributor, jobber, or retail dealer acting merely as an
13 agent of the state for the collection and payment of the tax
14 to the state. Therefore, notwithstanding any exemptions from
15 taxes which any such seller may now or hereafter enjoy under
16 the Constitution or laws of this or any other state, or of the
17 United States, he shall collect the tax imposed hereunder from
18 the purchaser or consumer, and the amount of the tax shall
19 constitute a debt from the purchaser or consumer to the seller
20 until paid. It shall be unlawful for any person, firm,
21 corporation, association, or copartnership to fail or refuse
22 to add to the sales price and collect from the purchaser the
23 amount of the tax to be added to the sales price and collected
24 from the purchaser hereunder. Stamps in denominations to the
25 amount of the tax or in denominations specified pursuant to
26 subsection (g) of this section shall be affixed to the box or
27 other container from or in which tobacco products taxed by

1 this section are normally sold at retail. The stamps shall be
2 affixed in such a manner that their removal will require
3 continued application of water or steam; and in case of
4 cigars, cheroots, chewing tobacco and like manufactured
5 tobacco products, where sales are made from the original
6 container, the stamps shall be affixed to the box or container
7 in such a way that the stamps shall be torn in two or
8 mutilated when such containers or boxes are opened for the
9 sale of the tobacco products. In the case of cigarettes,
10 smoking tobacco, snuff and like products sold at retail in
11 packages, the required amount of stamps to cover the tax shall
12 be affixed to each individual package or container. All
13 taxable tobaccos herein enumerated, when offered for sale,
14 either at wholesale or retail, without having stamps affixed
15 in the manner set out by this article, shall be subject to
16 confiscation, in the manner provided for contraband goods as
17 set out in this article.

18 "(g) The Commissioner of Revenue shall prepare and
19 issue stamps in denominations for the amount of the tax
20 imposed by this article provided that if the commissioner
21 determines that it is not economical for the state to have a
22 stamp prepared and issued for one or more particular types of
23 packages of tobacco products, then he may by regulation
24 prescribe the use of a stamp in a denomination other than for
25 the amount of the tax imposed with the difference between the
26 amount of tax actually imposed and the amount of tax
27 denominated by the stamp paid with the use of a monthly

1 report; or he may require a monthly report without use of a
2 stamp to report the amount of taxes due.

3 "(h) The increases levied by this section shall be
4 exclusive and shall be in lieu of any other or additional
5 local taxes and/or license fees, county or municipal, imposed
6 on the sale or use of cigarettes and/or other tobacco
7 products. Notwithstanding the foregoing, an act of the
8 Legislature or an ordinance or resolution by a taxing
9 authority passed or enacted on or before May 18, 2004,
10 imposing a local tax and/or license fee shall remain
11 operative, but no additional local tax and/or license fee may
12 thereafter be levied on the sale of cigarettes and/or other
13 tobacco products.

14 "(i) Local taxes and/or license fees, county or
15 municipal, imposed on the sale or use of cigarettes shall be
16 paid to the local government through the use of stamps affixed
17 to the product as provided herein for the state tax. Provided,
18 however, this requirement shall not be interpreted to require
19 the Department of Revenue to prepare all stamps or to collect
20 all local taxes. Local governments may contract with another
21 entity to collect their local cigarette tax but all local
22 taxes must be collected as provided herein."

23 Section 2. Notwithstanding any other provision of
24 Chapter 25, Title 40, Code of Alabama 1975, all revenue
25 received from the increased tax levied by this amendatory act
26 shall be deposited into the State General Fund.

1 Section 3. This act shall become effective on the
2 first day of the third month following its passage and
3 approval by the Governor, or its otherwise becoming law.
