Section 1. Purpose.

In order to strengthen access to health care, and in 5 recognition of the advances in the delivery of health care, 6 7 the member states of the Interstate Medical Licensure Compact have allied in common purpose to develop a comprehensive 8 9 process that complements the existing licensing and regulatory 10 authority of state medical boards, provides a streamlined process that allows physicians to become licensed in multiple 11 12 states, thereby enhancing the portability of a medical license 13 and ensuring the safety of patients. The compact creates 14 another pathway for licensure and does not otherwise change a state's existing medical practice act. The compact also adopts 15 the prevailing standard for licensure and affirms that the 16 17 practice of medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, 18 requires the physician to be under the jurisdiction of the 19 state medical board where the patient is located. State 20 21 medical boards that participate in the compact retain the 22 jurisdiction to impose an adverse action against a license to 23 practice medicine in that state issued to a physician through 24 the procedures in the compact.

1 (b) The interstate commission, by majority vote of 2 the commissioners, may initiate legal action in the United States District Court for the District of Columbia, or, at the 3 4 discretion of the interstate commission, in the federal district where the interstate commission has its principal 5 6 offices, to enforce compliance with the provisions of the 7 compact, and its promulgated rules and bylaws, against a member state in default. The relief sought may include both 8 injunctive relief and damages. In the event judicial 9 enforcement is necessary, the prevailing party shall be 10 awarded all costs of such litigation including reasonable 11 12 attorney's fees.

13 (c) The remedies herein shall not be the exclusive 14 remedies of the interstate commission. The interstate 15 commission may avail itself of any other remedies available 16 under state law or the regulation of a profession.

17

Section 18. Default procedures.

(a) The grounds for default include, but are not
limited to, failure of a member state to perform such
obligations or responsibilities imposed upon it by the
compact, or the rules and bylaws of the interstate commission
promulgated under the compact.

(b) If the interstate commission determines that a
member state has defaulted in the performance of its
obligations or responsibilities under the compact, or the
bylaws or promulgated rules, the interstate commission shall:

1 (1) Provide written notice to the defaulting state 2 and other member states, of the nature of the default, the 3 means of curing the default, and any action taken by the 4 interstate commission. The interstate commission shall specify 5 the conditions by which the defaulting state must cure its 6 default; and

7 (2) Provide remedial training and specific technical
8 assistance regarding the default.

9 (c) If the defaulting state fails to cure the 10 default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the 11 12 commissioners and all rights, privileges, and benefits 13 conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the 14 15 offending state of obligations or liabilities incurred during the period of the default. 16

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall be given by the interstate commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(e) The interstate commission shall establish rules
 and procedures to address licenses and physicians that are
 materially impacted by the termination of a member state, or
 the withdrawal of a member state.

1 (f) The member state which has been terminated is 2 responsible for all dues, obligations, and liabilities 3 incurred through the effective date of termination including 4 obligations, the performance of which extends beyond the 5 effective date of termination.

6 (g) The interstate commission shall not bear any 7 costs relating to any state that has been found to be in 8 default or which has been terminated from the compact, unless 9 otherwise mutually agreed upon in writing between the 10 interstate commission and the defaulting state.

(h) The defaulting state may appeal the action of the interstate commission by petitioning the United States District Court for the District of Columbia or the federal district where the interstate commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

17

Section 19. Dispute resolution.

18 (a) The interstate commission, upon the request of a
19 member state, shall attempt to resolve disputes which are
20 subject to the compact and which may arise among member states
21 or member boards.

(b) The interstate commission shall promulgate rules
 providing for both mediation and binding dispute resolution as
 appropriate.

25 Section 20. Member states, effective date, and 26 amendment. (a) Any state is eligible to become a member state
 of the compact.

3 (b) The compact shall become effective and binding 4 upon legislative enactment of the compact into law by no less 5 than seven states. Thereafter, it shall become effective and 6 binding on a state upon enactment of the compact into law by 7 that state.

8 (c) The governors of nonmember states, or their 9 designees, shall be invited to participate in the activities 10 of the interstate commission on a nonvoting basis prior to 11 adoption of the compact by all states.

(d) The interstate commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

18

Section 21. Withdrawal.

(a) Once effective, the compact shall continue in
force and remain binding upon each and every member state;
provided that a member state may withdraw from the compact by
specifically repealing the statute which enacted the compact
into law.

(b) Withdrawal from the compact shall be by the
enactment of a statute repealing the same, but shall not take
effect until one year after the effective date of such statute
and until written notice of the withdrawal has been given by

1 the withdrawing state to the governor of each other member 2 state.

3 (c) The withdrawing state shall immediately notify 4 the chairperson of the interstate commission in writing upon 5 the introduction of legislation repealing the compact in the 6 withdrawing state.

7 (d) The interstate commission shall notify the other
8 member states of the withdrawing state's intent to withdraw
9 within 60 days of its receipt of notice provided under
10 subsection (c).

(e) The withdrawing state is responsible for all dues, obligations, and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

(f) Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

(g) The interstate commission is authorized to develop rules to address the impact of the withdrawal of a member state on licenses granted in other member states to physicians who designated the withdrawing member state as the state of principal license.

```
Section 22. Dissolution.
```

25

(a) The compact shall dissolve effective upon the
 date of the withdrawal or default of the member state which
 reduces the membership in the compact to one member state.

4 (b) Upon the dissolution of the compact, the compact
5 becomes null and void and shall be of no further force or
6 effect, and the business and affairs of the interstate
7 commission shall be concluded and surplus funds shall be
8 distributed in accordance with the bylaws.

Section 23. Severability and construction.

(a) The provisions of the compact shall be
severable, and if any phrase, clause, sentence, or provision
is deemed unenforceable, the remaining provisions of the
compact shall be enforceable.

9

14 (b) The provisions of the compact shall be liberally15 construed to effectuate its purposes.

16 (c) Nothing in the compact shall be construed to 17 prohibit the applicability of other interstate compacts to 18 which the states are members.

Section 24. Binding effect of compact and other
 laws.

(a) Nothing herein prevents the enforcement of any
other law of a member state that is not inconsistent with the
compact.

(b) All laws in a member state in conflict with thecompact are superseded to the extent of the conflict.

(c) All lawful actions of the interstate commission,
 including all rules and bylaws promulgated by the commission,
 are binding upon the member states.

4 (d) All agreements between the interstate commission
5 and the member states are binding in accordance with their
6 terms.

(e) In the event any provision of the compact
exceeds the constitutional limits imposed on the legislature
of any member state, such provision shall be ineffective to
the extent of the conflict with the constitutional provision
in question in that member state.

12 Section 25. This act shall become effective on the 13 first day of the third month following its passage and 14 approval by the Governor, or its otherwise becoming law.
