10

12 expressed about potential abuses of the legal process
13 involving the questionable act of threatening to file lawsuits

17 cost of litigation and not based on injury to any individual;
18 and

19 WHEREAS, lawyers who engage in questionable
20 practices are an affront to the legal profession, cast a pall
21 on good lawyers, and should be disciplined; now therefore,

22 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF
23 THE LEGISLATURE OF ALABAMA, That the Alabama State Bar is
24 urged to aggressively investigate questionable practices of

26 engaging in the practice of filing false or exaggerated claims
27 of violations of the Americans With Disabilities Act.
