8 SYNOPSIS: Under existing law, the practice of
9 psychology is regulated by the Board of Examiners
10 in Psychology, which is comprised of members
11 appointed by the Governor. Existing law establishes
12 the process and requirement for being licensed to
13 practice psychology in the state.

14 This bill would clarify that the board is
15 comprised of eight members and that one of those
16 members shall be primarily engaged in teaching,
17 research, or administration.

18 This bill would revise the process for a
19 licensee to request that the board designate a
20 license as inactive to authorize the board to
21 assess an inactive licensee fee. This bill would
22 require an applicant for a license to submit
23 fingerprints and execute criminal history
24 information release and would require the Alabama
25 State Law Enforcement Agency (ALEA) to forward the
26 fingerprints of an applicant to the Federal Bureau
27 of Investigation. This bill would specify that the

1 background information obtained by the board is
2 confidential.

3 This bill would remove obsolete language
4 from the existing law.

5 Amendment 621 of the Constitution of Alabama
6 of 1901, now appearing as Section 111.05 of the
7 Official Recompilation of the Constitution of
8 Alabama of 1901, as amended, prohibits a general
9 law whose purpose or effect would be to require a
10 new or increased expenditure of local funds from
11 becoming effective with regard to a local
12 governmental entity without enactment by a 2/3 vote
13 unless: it comes within one of a number of
14 specified exceptions; it is approved by the
15 affected entity; or the Legislature appropriates
16 funds, or provides a local source of revenue, to
17 the entity for the purpose.

18 The purpose or effect of this bill would be
19 to require a new or increased expenditure of local
20 funds within the meaning of the amendment. However,
21 the bill does not require approval of a local
22 governmental entity or enactment by a 2/3 vote to
23 become effective because it comes within one of the
24 specified exceptions contained in the amendment.

26 A BILL
27 TO BE ENTITLED

1 AN ACT

2
3 Relating to the Alabama Board of Examiners in
4 Psychology; to amend Sections 34-26-21, 34-26-41, 34-26-43.1,
5 34-26-62, 34-26-65, and 34-26-66, Code of Alabama 1975; to
6 repeal Section 34-26-20, Code of Alabama 1975, to clarify the
7 number and qualifications of the members of the board; to
8 further specify the procedure for a licensee to request to be
9 placed on inactive status by authorizing the board to charge
10 an inactive license fee; to require a criminal background
11 check of each applicant for a license and to specify the
12 duties of the Alabama State Law Enforcement Agency (ALEA) in
13 providing background information; to remove obsolete language;
14 and in connection therewith would have as its purpose or
15 effect the requirement of a new or increased expenditure of
16 local funds within the meaning of Amendment 621 of the
17 Constitution of Alabama of 1901, now appearing as Section
18 111.05 of the Official Recompilation of the Constitution of
19 Alabama of 1901, as amended.
