8 SYNOPSIS: Amendment 617 to the Constitution of Alabama
9 of 1901, now appearing as Section 213.32 of the
10 Official Recompilation of the Constitution of
11 Alabama of 1901, as amended, provides for the
12 issuance and sale of general obligation bonds of
13 the State of Alabama for the purpose of the
14 acquisition, provision, construction, improvement,
15 renovation, equipping, and maintenance of the State
16 Park System, public historical sites and public
17 historical parks. All state park system land and
18 facilities must be exclusively and solely operated
19 and maintained by the Department of Conservation
20 and Natural Resources.

21 This proposed amendment would except the
22 operation of state park land and facilities at
23 those state parks which offer overnight lodging
24 accommodations to transients, or a golf course, or
25 both, from the requirement to be exclusively and
26 solely operated and maintained by the Department of
27 Conservation and Natural Resources.
