8 SYNOPSIS: Under existing law, a driver may obtain a
9 graduated license, including a Stage I-learner's
10 permit, Stage II-regular driver's license with
11 restrictions based on age, and Stage
12 III-unrestricted driver's license. Also under
13 existing law, a violation of the restriction of a
14 Stage II licensee is a traffic violation, but no
15 points may be assessed for the violation.

16 This bill would revise the penalties for a
17 violation of the restrictions on a Stage II
18 license, including revocation of the license and
19 reversion to a Stage I license for a period of six
20 months, would require the driver to revert to a
21 Stage I license for a period of six months, would
22 require the court to assess a fine of \$250, plus
23 court costs, and would provide for the assessment
24 of two points.

25 This bill would also provide that a parent,
26 legal guardian, or other adult who knowingly allows
27 a driver with a Stage I or Stage II license to

1 drive a motor vehicle in violation of applicable
2 restrictions is subject to a fine of \$500, plus
3 court costs.
