8 SYNOPSIS: Existing law does not require the Alabama
9 High School Athletic Association to adopt a rule to
10 allow its public school members to compete only
11 against each other for state championships, and its
12 nonpublic school members to compete only against
13 each other for state championships.

14 This bill would require the Alabama High
15 School Athletic Association to adopt a rule to
16 allow its public school members to compete only
17 against each other for state championships, and its
18 nonpublic school members to compete only against
19 each other for state championships.

21 A BILL
22 TO BE ENTITLED
23 AN ACT
24

25 Relating to the Alabama High School Athletic
26 Association; requiring the Alabama High School Athletic
27 Association to adopt a rule to allow its public school members

1 to compete only against each other for state championships,
2 and its nonpublic school members to compete only against each
3 other for state championships.

4 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

5 Section 1. The Alabama High School Athletic
6 Association shall adopt a rule to allow its public school
7 members to compete only against each other for post regular
8 season playoff games and state championships, and its
9 nonpublic school members to compete only against each other
10 for post regular season playoff games and state championships
11 which shall be effective in the 2019-2020 school year and in
12 subsequent years.

13 Section 2. This act shall become effective on the
14 first day of the third month following its passage and
15 approval by the Governor, or its otherwise becoming law.
