26 part of a church or nonprofit religious school by

1           requiring such facilities to be licensed by the

4           of a faith-based child care facility may not be  
5           construed to infringe upon the rights of the  
6           facility to teach or practice a religion.

7                       This bill would also revise the criminal  
8           history background information check required for
