8 On page 4, delete lines 17 through 22 and insert the
9 following:

10 (b) Upon transfer the monies shall be kept in a
11 separate fund and shall be subject to audit by the Examiners
12 of Public Accounts in the same manner as all other department
13 funds. Any unexpended monies remaining in the fund at the end
14 of the fiscal year shall remain in the fund and shall not
15 revert to the Public Road and Bridge Fund. The amount of the
16 transfer for the upcoming fiscal year appropriation shall be
17 reduced by the amount carried forward such that the department
18 will have no more than ten million dollars (\$10,000,000) in
19 any single fiscal year to administer the grant program. Any
20 monies which remain unexpended at the end of the fifteenth
21 fiscal year shall revert to the Public Road and Bridge Fund.
