10 TO BE ENTITLED
11 AN ACT
12

13 Relating to Lauderdale County; to provide that the
14 county health department shall perform site evaluation tests
15 before the repair of an existing conventional septic system.
16 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

17 Section 1. In Lauderdale County, notwithstanding all
18 laws, rules, and regulations to the contrary, upon request by
19 a property owner, the county health department or its duly
20 appointed agent shall perform a site evaluation test for a fee
21 of not more than two hundred fifty dollars (\$250) when such
22 test is required for the repair of an existing conventional
23 septic tank effluent disposal field.

24 Section 2. This act shall become effective
25 immediately following its passage and approval by the
26 Governor, or its otherwise becoming law.
