2 ENROLLED, House Joint Resolution,  
3                   CREATING THE ALABAMA HEALTH CARE HUMAN TRAFFICKING  
4 TRAINING PROGRAM COMMISSION.  
5

6                   WHEREAS, human trafficking is the second largest  
7 criminal activity in the world, exceeded only by drug  
8 trafficking; and

9                   WHEREAS, human trafficking enslaves hundreds of  
10 thousands of victims each year; and

11                   WHEREAS, human trafficking involves the use of  
12 force, fraud, or coercion by traffickers to recruit or capture  
13 and also control their victims; and

14                   WHEREAS, members of the health and medical  
15 communities in Alabama are often the first persons to come in  
16 direct contact with the victims of human trafficking and these  
17 communities often have not received either formal or informal  
18 education or training to recognize the signs and symptoms  
19 displayed by the victims of human trafficking; and

20                   WHEREAS, prevention and treatment programs
