8 DESIGNATING AUTAUGA COUNTY ARTESIAN WATER AS THE
9 OFFICIAL STATE WATER.

10
11 WHEREAS, water is one of the most precious and
12 valuable natural resources on Earth, and every living being is
13 dependent upon water for survival; and

14 WHEREAS, artesian water, originating deep below the
15 Earth's surface, is typically free of any contaminants and has
16 a higher mineral content than water bottled from other
17 sources; and

18 WHEREAS, located in the heart of Alabama, Autauga
19 County is unique in that several productive artesian water
20 sources are situated in the county; and

21 WHEREAS, Eleven86 Real Artesian Water, a thriving
22 water bottling plant located in Autaugaville, bottles natural
23 and pure water directly from an artesian water sources located
24 in Autauga County; Eleven86's pristine product is quickly
25 garnering statewide acclaim; and

26 WHEREAS, water derived from this generative source
27 in Autauga County has significantly impacted the local and

1 statewide economy and is a valuable resource for the residents
2 of this great state; now therefore,

3 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
4 HOUSES THEREOF CONCURRING, That Autauga County Artesian Water
5 is hereby recognized as the official State Water for Alabama.
