

1 205614-2 : n : 02/26/2020 : C & MG / mrd

2
3 HOUSE COUNTY AND MUNICIPAL GOVERNMENT AMENDMENT TO SB99

4
5
6
7
8 On page 2, line 21, after "Code" add the following:
9 and consistent with Section 3.1.a.4 of DoD

10 Instruction 4180.02

11
12 On page 5, after line 16, add the following
13 subdivision:

14 (3) The tall structure shall be in compliance with
15 subsection (a) even if the local government either does not
16 require an application prior to the construction of a tall
17 structure or does not require the application outlined in this
18 subsection if the applicant has otherwise complied with the
19 requirements of subdivision (1) or (2).

20
21 On page 6, after line 20, add the following
22 additional subsection (e), and reletter the remaining
23 subsection as subsection (f):

24 (e) Notwithstanding the provisions of subsection
25 (d), a local government may approve an application for the
26 construction of a wind energy facility conditioned upon the

1 applicant providing documentation of one of the requirements
2 set out in subsection (d).

3
4 On page 6, after line 25, add the following
5 additional subsection:

6 (g) A local government may not require any other
7 formal written approval from a military installation to
8 approve an application for the construction of a tall
9 structure or wind energy facility.
