8 On page 3, delete lines 1 through 13 in their
9 entirety and insert in lieu thereof the following:

10 "(2) If the subject land is adjacent to public
11 unused land, as defined in Section 9-15-1, which is managed by
12 the Department of Conservation and Natural Resources and is
13 located between the subject land and a public road or highway,
14 the probate court shall grant a convenient right-of-way over
15 the public unused lands to the public road or highway;
16 provided, the right-of-way does not substantially impair or
17 impede the future planned development of the unused lands. A
18 right-of-way granted under this subdivision is subject to
19 approval by the State Lands Division of the Department of
20 Conservation and Natural Resources. If no fixed access point
21 exists from the public unused land onto the public road or
22 highway, approval of a new access point to be utilized as
23 authorized herein shall be obtained from the governmental
24 entity with supervision and control of the road or highway.
25 Notwithstanding the foregoing, nothing in this subdivision
26 shall apply to land subject to the Forever Wild Land Trust or
27 sixteenth section land.
