8 SYNOPSIS: Under existing law, certain regional mental
9 health programs and facilities are authorized to
10 incorporate as a public corporation with powers
11 prescribed by law, including the power to provide
12 services such as inpatient care, outpatient care,
13 partial hospitalization, emergency care,
14 residential care, and aftercare for persons
15 combating all forms of mental or emotional
16 illnesses or disabilities, including alcoholism,
17 drug addiction, epilepsy, and intellectual
18 disability. The public corporations are exempted
19 from state taxation by law.

20 This bill would provide that regional mental
21 health programs and facilities organized pursuant
22 to law, and the directors and employees thereof,
23 when engaged in the discharge of services or
24 programs certified and contracted for by the
25 Alabama Department of Mental Health, are entitled
26 to immunity to the same extent and under the same

1 circumstances afforded to state employees under the
2 state sovereign immunity statute.

3 This bill would also specify that the
4 limitation of liability provided does not extend to
5 the subcontractors and independent contractors of
6 the programs and facilities.
