12 This section does not restrict a health insurer,
13 health care service plan, or health maintenance organization
14 from recouping payments by exercising available subrogation
15 rights against a responsible third party or by exercising
16 available reimbursement rights against an injured person who
17 is attempting to recover from, or has previously recovered
18 from, a responsible third party or the injured party's
19 uninsured or underinsured motorist insurance coverage, or
20 both. Where a health insurer, health care service plan, or
21 health maintenance organization seeks recoupment from a

23 exceed the amount paid by the health insurer, health care
24 service plan, or health maintenance organization for health
25 care services.
