8 SYNOPSIS: Existing law regulates the activities of
9 student athletes as they relate to athlete agents
10 and legal representation, but does not address
11 compensation received by student athletes.

12 This bill would prohibit Alabama
13 postsecondary educational institutions and every
14 athletic association, conference, or other group or
15 organization with authority over intercollegiate
16 sports from preventing any student athlete
17 participating in intercollegiate sports from
18 earning compensation as a result of the use of the
19 student athlete's name, image, or likeness or
20 seeking or obtaining legal or professional
21 representation relating to the student athlete's
22 participation in intercollegiate sports.

23 The bill would also prohibit an athletic
24 association, conference, or other group or
25 organization with authority over intercollegiate
26 sports from preventing a postsecondary educational
27 institution from participating in intercollegiate

1 sports as a result of the compensation of a student
2 athlete for the use of the student athlete's name,
3 image, or likeness, or from directly providing a
4 prospective intercollegiate student athlete with
5 compensation in relation to the student athlete's
6 name, image, or likeness. The bill would prohibit
7 the revocation of a student's scholarship as a
8 result of earning compensation or obtaining legal
9 representation as authorized under the bill. The
10 bill would prohibit a student athlete from entering
11 into any contract providing compensation to the
12 athlete for use of the athlete's name, image, or
13 likeness if a provision of the contract is in
14 conflict with a provision of the athlete's team
15 contract, and would also prohibit a team contract
16 from preventing a student athlete from using his or
17 her name, image, or likeness for a commercial
18 purpose when the athlete is not engaged in official
19 team activities.

20 The bill would require that each
21 postsecondary educational institution fund an
22 annuity for each student athlete who declares that
23 he or she will not receive compensation for use of
24 his or her name, image, or likeness and will not
25 seek or retain professional or legal representation
26 relating to the student athlete's participation in
27 intercollegiate sports, and would allow each

1 student athlete to amend or renew his or her
2 declaration under certain conditions. The bill
3 would also require each postsecondary educational
4 institution to conduct a financial literacy and
5 life skills workshop for each student athlete at
6 the beginning of each student athlete's first and
7 third years.

8 The bill would create the Historically Black
9 Colleges and Universities Working Group to make
10 recommendations about the receipt of compensation
11 by a student athlete at an historically black
12 college or university for the use of his or her
13 name, image, and likeness.

14 The working group would convene no later
15 than July 1, 2021, and would issue a report no
16 later than January 1, 2022; the remainder of the
17 bill would become operative on January 1, 2023.
