URGING THE ALABAMA LEGISLATURE TO PROHIBIT
DISCRIMINATION IN PUBLIC ACCOMMODATIONS, LOCAL SCHOOLS, AND
THE WORKPLACE.

WHEREAS, historically, several classes of
individuals have been discriminated against because of their
race, religion, sex, age, disability, or national origin; and

WHEREAS, the federal government and a vast majority
of states have passed antidiscrimination laws to prohibit
discrimination against individuals based upon their protected
classes; and

WHEREAS, the State of Alabama has yet to establish
certain antidiscrimination laws that prohibit discrimination
against individuals in protected classes in public
accommodations, local schools, and the workplace; now
therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF
THE LEGISLATURE OF ALABAMA, That this body strongly urges the
Alabama Legislature as a whole to pass legislation to prohibit
a person from denying any individual full and equal enjoyment

1 of public accommodations, any local school board, employer or
2 employment agency from discriminating against any individual,
3 and any labor organization from excluding or expelling from
4 its membership, or otherwise discriminating against, any
5 individual, based upon certain protected classes.
