8 SYNOPSIS: Under existing law, contracts for a public
9 works involving an amount in excess of \$50,000 are
10 required to be advertised for sealed bids at least
11 once each week for three consecutive weeks in a
12 newspaper of general circulation in the county or
13 counties in which the public works is located.

14 Also under existing law, certain contracts
15 for the purchase of any heating or air conditioning
16 units or systems are exempt from the public works
17 bidding requirements if the purchase of the heating
18 or air conditioning unit or system is by a local
19 governing body that used a competitive bid process
20 approved by the Department of Examiners of Public
21 Accounts.

22 This bill would provide that purchases of
23 heating or air conditioning units or systems are
24 exempt from the public works bidding requirements
25 if the purchase is by any governmental entity and
26 the governmental entity uses a competitive bid

1 process that has been approved by the Department of
2 Examiners of Public Accounts.
