2 ENROLLED, House Joint Resolution,
3 CREATING THE ALABAMA WORKFORCE AND WAGE GAP TASK
4 FORCE.

5
6 WHEREAS, accelerating economic opportunity for women
7 is central to solidifying the positive economic trajectory
8 that Alabama enjoys; and

9 WHEREAS, the wage gap for women in Alabama is larger
10 than for women in the United States overall; women in Alabama
11 earn only 73 cents for every dollar a man earns, while women
12 in the United States earn 82 cents for every dollar a man
13 earns; if the current trend continues, Alabama women will not
14 reach pay equity until 2089; and

15 WHEREAS, women are more likely than men to have
16 filed claims for unemployment during the COVID-19 pandemic,
17 accounting for 55.37 percent of total claims; and

18 WHEREAS, women with children who wish to enter the
19 workforce face steep child-care costs as the annual child-care
20 costs for an infant under 12 months of age in Alabama is
21 estimated at \$5,858 per year, which is nearly 17 percent of
22 women's median annual earnings; and

23 WHEREAS, paying employed single women the same
24 amount as comparable men would reduce the state's poverty rate
25 by nearly half; and

1 WHEREAS, raising the labor participation rate of
2 women in Alabama to the national average could add more than
3 80,000 women to the workforce; and

4 WHEREAS, women remain disproportionately represented
5 in certain occupations, such as teaching, nursing, social
6 work, and office and administrative jobs, which are demanding
7 and tend to pay less; and

8 WHEREAS, more than 74 percent of women in Alabama
9 are the breadwinners in their households and more than 60
10 percent of employed mothers have young children; the wage gap
11 is even larger for Black women and Latina women in Alabama,
12 indicating racialized structural barriers to well-being; Black
13 women made 58.5 cents and Latina women made 48.8 cents for
14 every dollar that a White man earned in Alabama in 2017; and

15 WHEREAS, identifying evidence-based policies that
16 can close the wage gap would assist policy makers in their
17 efforts; and

18 WHEREAS, creating a task force that will gather
19 those policies and report to policy makers is a necessary step
20 in the quest to close the wage gap between men and women; now
21 therefore,

22 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
23 HOUSES THEREOF CONCURRING, That there is hereby created the
24 Alabama Workforce and Wage Gap Task Force to identify
