8 CONGRATULATING THE NERDETTES, HUNTSVILLE'S ALL-GIRL
9 FIRST TECH CHALLENGE ROBOTICS TEAM, FOR THEIR ACCOMPLISHMENTS.

WHEREAS, highest congratulations are herein proudly extended to the Nerdettes, Huntsville's all-girl FIRST Tech
Challenge Robotics Team, for their many impressive
accomplishments; and

WHEREAS, the Nerdettes have qualified to compete against 160 teams from across the world at the FIRST Tech Robotics World Championship in Houston, Texas, from April 20, 2022 to April 23, 2022; the talented team has competed in several State Tournaments during the 2021/2022 season in order to qualify for the World Championship, winning the First Place Connect Award at the Tennessee State Championship, First Place Connect Award at the Arkansas State Championship, Second Place Inspire Award at the Arkansas State Championship, Third Place Connect Award at the Alabama State Championship, Third Place Connect Award at the Alabama State Championship, and Second Place Compass Award at the Alabama State Championship; in

addition, one of the team members, Emily King, was a Dean's
List Finalist at the Alabama State Championship; and

WHEREAS, each year, the FIRST Tech Challenge Teams are presented with a new theme, a corresponding layout for the robot field, and new tasks to complete; teams can prepare for the competition by coding their robots using a variety of Java-based programming; each season concludes with Regional Championships and two exciting FIRST World Championships; while building robots to compete in head-to-head competitions around the world, the teams design and market their projects just like in any real-life company or organization, and they also partake in community outreach to inspire other students' interest in STEM; and

WHEREAS, the Nerdettes are comprised of 9th, 10th, and 11th grade STEM students from Huntsville High School and St. John Paul II Catholic High School; this is the Nerdettes' fourth year qualifying for the World Championship and the only team from Alabama to qualify this year; the team members are Emily King, Ava McIntosh, Ellen Vegerita, Hailey Holsonback, Averiel Brininger, Megan Quinn, and Sydney MacMurray; and

WHEREAS, through dedication, teamwork, and a commitment to excellence, the Nerdettes continue to achieve one incredible accomplishment after the next and simultaneously inspire many along the way; now therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, That the Nerdettes, Huntsville's all-girl FIRST Tech Challenge Robotics Team, are highly

- congratulated for their many impressive accomplishments, and this resolution hereby serves as a tribute to the talented team members with utmost admiration, along with sincere best
- 4 wishes for continued success in all future endeavors.
