House Bill 317

Committee: County and Municipal
Government

Sponsor: Representative Phillip Pettus

Analyst: Peter Grogan

Date: 04/18/2023

House Bill 317 as introduced would increase the obligations of county and municipal governments by an undetermined amount dependent on the cost to purchase up to two years of service credit with the Retirement Systems of Alabama for certain law enforcement officers and firefighters who are injured in the line of duty and received benefits pursuant to the Alabama Workers' Compensation Act, as provided by this bill.

The actuary of the Retirement Systems of Alabama is unable to determine the potential cost to a county or municipal government.
