Senate Bill 313

Committee: Ways and Means General Fund Sponsor: Senator Tom Butler

Analyst: Jennifer Farish Date: 05/30/2023

Senate Bill 313 as passed the Senate could increase the obligations of the Alabama Department of Economic and Community Affairs, and any other state entity the Department may contract with, by an undetermined amount to commission the design, construction and placement of a replica of the Saturn 1B Rocket at the northern most rest stop off of Interstate 65 in the state. However, any such increase in obligations could be offset, in whole or in part, by any public or private gifts, grants, donations, in-kind services, or legislative appropriations made available to the Department.
