House Bill 321

Committee: State Government

Sponsor: Representative James Lomax

Analyst: Riley Aaron

Date: 05/03/2023

House Bill 321 as reported by the Committee on State Government could increase the potential obligations of any governmental body, county, or municipality that purchases an unmanned aircraft system, with exceptions, by an undetermined amount dependent upon the difference in: 1) the cost of the unmanned aircraft system purchased by such government entity; and 2) the cost of the unmanned aircraft system that otherwise would have purchased but is prohibited by this bill.
