House Bill 229

Committee: Judiciary

Sponsor: Representative Chris England

Analyst: Peter Grogan

Date: 04/17/2023

House Bill 229 as introduced could increase the administrative obligations of the Unified Judicial System and district attorneys to conduct reviews or hold hearings for petitions for reduced sentences as provided in this bill.

This bill could also decrease the current or potential obligations of the Department of Corrections by an undetermined amount dependent on (1) any reductions in sentences for inmates provided by this bill, or (2) any sentences shorter than otherwise provided under current enhanced sentencing law.
