---

**Senate Bill 151** as reported by the Committee on Ways and Means Education would increase the administrative obligations of the Department of Commerce to publish on the Department's website certain information for each project receiving Jobs Act incentives.

Additionally, this bill would authorize the Joint Legislative Advisory Committee on Economic Incentives to request a third-party evaluation be conducted assessing the impacts of state economic development incentives in an Executive Report which could increase the obligations of: (1) the third-party to produce the report; and (2) the Department of Commerce, the Department of Revenue and the Department of Labor, to provide requested data to the third-party conducting the evaluation.

Finally, this bill would codify the current practice of the Secretary of the Senate and Clerk of the House to provide clerical assistance to the committee.
