

FISCAL NOTE

House Bill 337

Committee: County and Municipal Government Sponsor: Representative Kyle South

Analyst: Riley Aaron

Date: 05/30/2023

House Bill 337 as passed the House of Representatives would (1) allow the State Comptroller to make payments to vendors for which they are entitled from a prior fiscal year from funds of the affected agency; and (2) codify the current practice of allowing the Department of Finance, or its divisions, to charge fees for services provided.

According to the Department, it collected approximately \$39 million in various fees during Fiscal Year 2022.
