House Bill 345

Committee: Health

Sponsor: Representative Wes Kitchens

Analyst: Tiffany Weaver

Date: 05/01/2023

House Bill 345 as introduced would increase the financial obligations of, presumably, the State General Fund by an estimated minimum of \$4,400 annually for per diem and travel expenses of the 14 member Health Professional Scope of Practice Review Commission, established by this bill, to review and make recommendations on legislative proposals regarding scope of practice for health professions.
