

FISCAL NOTE

House Bill 73

Committee: Education Policy

Sponsor: Representative Danny Garrett

Analyst: John Friedenreich

Date: 03/22/2023

House Bill 73 as reported by the Committee on Education Policy would increase the administrative obligations of each local board of education and charter school by requiring the development and adoption of intradistrict and interdistrict enrollment policies, as well as the public posting of these policies to the board or school's website.
