House Bill 55

Committee: Health

Sponsor: Representative Juandalynn Givan

Analyst: Tiffany Weaver

Date: 04/05/2023

House Bill 55 as reported by the Committee on Health would require a one-time expenditure by the State Registrar of Vital Statistics under the Alabama Department of Public Health of an estimated \$75,000 to establish a computer system to issue Certificates of Nonviable Birth. This expense could be offset, wholly or in part, by the collection of a \$15 fee, provided for in this bill, for the issuance each certificate.
