House Bill 72

Committee: Finance and Taxation General Fund Sponsor: Representative Jerry Starnes

Analyst: Peter Grogan

Date: 04/25/2023

House Bill 72 as passed the House of Representatives could increase the obligations of the Department of Corrections by an estimated \$28 for each day a parolee remains in a county jail past the 20 business day window provided by current law, due to a delay in holding a parole violation hearing as provided by this bill.
