

FISCAL NOTE

House Bill 21

Committee: Veterans and Military Affairs

Sponsor: Representative Chip Brown

Analyst: Peter Grogan

Date: 04/26/2023

House Bill 21 as passed the House of Representatives could increase the administrative obligations of law enforcement agencies and the Department of Forensic Sciences to annually report certain data regarding sexual assault cases to the Alabama Law Enforcement Agency (ALEA).

In addition, this bill could increase the obligations of ALEA by an undetermined amount to collect and store this data on sexual assault cases and to provide an annual summary report of this information to the Chairs of the House and Senate Judiciary Committees.
