Senate Bill 27

Committee: Judiciary

Sponsor: Senator Tim Melson

Analyst: Riley Aaron

Date: 04/11/2023

Senate Bill 27 as passed the Senate would exempt agricultural authorities incorporated prior to the effective date of this bill from municipal ordinances and regulations, unless the board of an authority consents to any such ordinances or regulations. This could decrease receipts of municipalities by an undetermined amount dependent on the amount of license fees or taxes that such agricultural authority would otherwise be subject to.
