

FISCAL NOTE

House Bill 333

Committee: Education Policy

Sponsor: Representative Danny Garrett

Analyst: John Friedenreich

Date: 04/25/2023

House Bill 333 as introduced would create the Alabama Modified School Calendar Grant Program to provide grants to local boards of education for planning and implementing a modified school calendar. This bill also creates the non-reverting Alabama Modified School Calendar Grant Fund in the State Treasury, subject to appropriations by the Legislature, that may be spent for the purposes of the program.

This bill would increase the obligations of the Alabama State Department of Education to administer the program; however, this bill would require the program to be administered with existing personnel and resources and prohibits contracting for external support. These increased obligations would be offset, in whole or in part, by the retention of 3% of funds appropriated to the Alabama Modified School Calendar Grant Fund in any fiscal year, which would be transferred to the Alabama Modified School Calendar Administration Fund created by this bill for administration of this program by the department.
