House Bill 304

Committee: County and Municipal Government Sponsor: Representatives Neil Rafferty

Analyst: Tiffany Weaver

Date: 05/31/2023

House Bill 304 as passed the House of Representatives would allow the Alcoholic Beverage Control (ABC) Board to license food or beverage trucks to sell alcoholic beverages for on-premises consumption in an established entertainment district, regardless of the class of the municipality. This could increase receipts to the State General Fund by \$300 for each food or beverage truck license fee collected due to the provisions of this bill, in addition to any other applicable application or renewal fee.
