

FISCAL NOTE

House Bill 473

Committee: Child and Senior Advocacy

Sponsor: Representative Donna Givens

Analyst: Tiffany Weaver

Date: 05/23/2023

House Bill 473 as reported by the Committee on Child and Senior Advocacy would increase the administrative obligations of (1) the respective local law enforcement agencies to investigate if an infant surrendered pursuant to this bill is a child reported as missing in this state or in another state; and (2) the Alabama Department of Public Health (ADPH) to adopt rules relating to the installation, maintenance, and monitoring of baby safety devices.

Further, this bill would allow certain emergency medical services providers to install and maintain baby safety devices, and respective signage, if a specific donation by a private party or legislative appropriation is made for this purpose. ADPH estimates the cost of a baby safety device to be \$10,000.
